**4WD. Sancerre La Moussiere Alphonse Mellot 2016 - Wine Enthusiast 93 Points**

Unique! For more than half a millennium the Alphonse Mellot family have been in the winemaking business and have contributed enormously to the international success of Sancerre. Since 1513, and for 18 generations, the first-born son of the family has been baptised Alphonse, but beyond this family history there are the wines, both red and white, that capture our attention. These are Sancerres that are truly incommensurate with the rest of the appellation. The vineyard faces south, on « Saint Doulchard » marl which is almost unique in Sancerrois and which gives this wine its strong typicity. With a bouquet that is both floral and fruity, it is pure, clean, supple and lively at the same time. A very seductive wine. Best paired with fish, seafood ...or just to enjoy between friends!

*Donated by Nadja Marcoz*

**5WD. Chateau les Justices - Wine Spectator 90 Points**

Nothing like enjoying this beautiful Sauterne. Offers notes of grilled pineapple, peach, nectarine and orange peel that have a good racy edge, with singed almond and bitter orange flavors that keep the finish lively. Drink now through 2028. 1,500 cases made. Best paired with cheese, or desert!

*Donated by Nadja Marcoz*
